Dear Store Manager,

Please consider carrying Kim & Scott's Gourmet Pretzels. Kim & Scott's offer a variety of unique soft pretzels that make a wonderful all-natural snack or meal.

Kim & Scott's Gourmet Pretzels are twisted by hand and made from scratch. They use only all-natural and premium ingredients, like freshly shredded cheeses, hearty spices, and unbleached flour. They combine a traditional European recipe with their own unique twist, creating a rustic, hand-made pretzel with the doughy softness of fresh bread. And, they offer a classic line and a stuffed line, which is bursting with flavor! They took favorite classic flavors and stuffed them with fresh cheeses, savory spices, and all-natural fruit fillings.

As a regular shopper in your store, I would really like to see you carry this delicious twisted treat. You can get more information on the product line by calling Kim & Scott's Gourmet Pretzels at 1.800.57.TWIST (89478) or send an email to: [cust-serv@kimandscotts.com](mailto:cust-serv@kimandscotts.com).

Thank you for your consideration.
